

T SOCKET WRENCHES

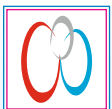

- * Socket made of Chrome Vanadium Steel which enables the T Socket Wrench to take higher impact in turn to get the longer functional life.
- * Handle of the T Socket Wrench is specially molded with TPR material for better gripping and life.
- * Ideal for a wide range of application such a maintenance of automobiles, motorcycles, bicycles, industrial equipments etc.
- * Handle, Stem and Socket are precision machine welded with each other for strong bonding and higher torque.
- * Stem and Handle also specially heat treated along with the socket for higher torque and long life.
