

TAPARIA TOOLS LTD.

AN ISO-9001 COMPANY

HEAVY DUTY SDS HAMMER DRILLS (PLUS TIP)

- * Body of the drill made from high quality alloy steel, hardened to avoid any breakage or bending of drill during use.
- * Tips made from tungsten carbide for precise drilling.
- * Cross tip design enables faster, smoother and longer drilling life.
- * Deep flutes allow the drilling chips to come out easily.
- * "PLUS" shank design ensures firm and secure gripping of drills with hammer drill machine.
- * Surface finish is coated with gray Phosphating finish and oiled for rust prevention.
- * Packed in strong and attractive transparent plastic tubes to protect from any damage and rusting in transit.
- * Useful for drilling holes in Reinforced Concrete, Granite, Marble, Stones etc.
